PROFILE

Junior Motion Graphic Designer with a Dice Academy certification in motion design and about a year of hands-on design experience. I create logo animations, product films, social reels and UI animations in After Effects, built on a strong base in typography, layout and brand identity. At AlgoRoot I designed brand identities and product interfaces with dev and marketing teams, so my motion work starts from the brand and the user.

WORK EXPERIENCE

AlgoRoot Private Limited · UI/UX Designer — Aug 2025 – Aug 2026
Bhubaneswar, Odisha

- Rebuilt brand identity: redesigned the AlgoRoot logo and created a new visual identity for AlgoJob.
- Redesigned the AlgoRoot website end to end, bringing clearer visual hierarchy, typography and consistency across pages.
- Revamped the UI/UX of AlgoJob's AI career platform and redesigned the AlgoVox product interface.
- Produced prototypes and high-fidelity Figma files with developer handoff documentation.
- Worked with dev and marketing teams in an agile setup.

PROJECTS

VOLT 47 · Logo Animation & Brand Identity

- Animated an eight-second logo reveal with sound at 1920×1080 for a 24-hour gym identity, built on one mark read three ways: a 23° wedge, three barbell plates and a negative-space bolt.
- Designed the identity behind it: logo suite, colour and type system (Anton + Space Grotesk), pattern, eight applications and a three-post social kit.

CHASHNI · Social Reels & Packaging · Concept

- Edited three vertical reels in After Effects for a Diwali mithai brand, with voice and AI-generated kitchen footage, landing one line, "This one stops here", three different ways.
- Designed the bilingual identity, print-ready packaging and three carousels the reels promote.

FIKR · App Film · UI/UX Case Study

- Made an After Effects film presenting a concept medicine-care app, after designing its research, flows, Material 3 design system and screens.

Shady? · Launch Film · UI/UX Case Study

- Made a launch film for a concept AI scam checker, alongside its personas, light and dark design system and screens.

UI Motion Pieces · Behance

- Carousel and parallax animations, a hover effect, an animated hero section for Palmonas and the Achilles layered parallax hero.

SKILLS

Motion: Motion Graphics, Logo Animation, UI Animation, Micro-interactions, Parallax and Carousel animation, 2D Animation, Frame-by-Frame Animation, Animation Principles

Graphic: Branding, Logo Design, Visual Identity, Typography, Colour Theory, Layout & Composition, Visual Hierarchy, Pattern Design, Social Media Design, Poster Design, Marketing Asset Design, Illustrations, Visual Storytelling

UI/UX: Wireframing, Mockups, Prototyping, User Flows, High-Fidelity UI, Design Systems, Component Libraries, Interaction Design, Responsive Design, Information Architecture, User Research, Usability Testing, Heuristic Evaluation, Accessibility (WCAG), Design Thinking, Developer Handoff

Collaboration: Brand Guidelines, Cross-functional Teams, Agile Workflow, Stakeholder Comms

TOOLS

Adobe After Effects · Adobe Illustrator · Adobe Photoshop · Figma · Canva
